

**Applicatiön Design**

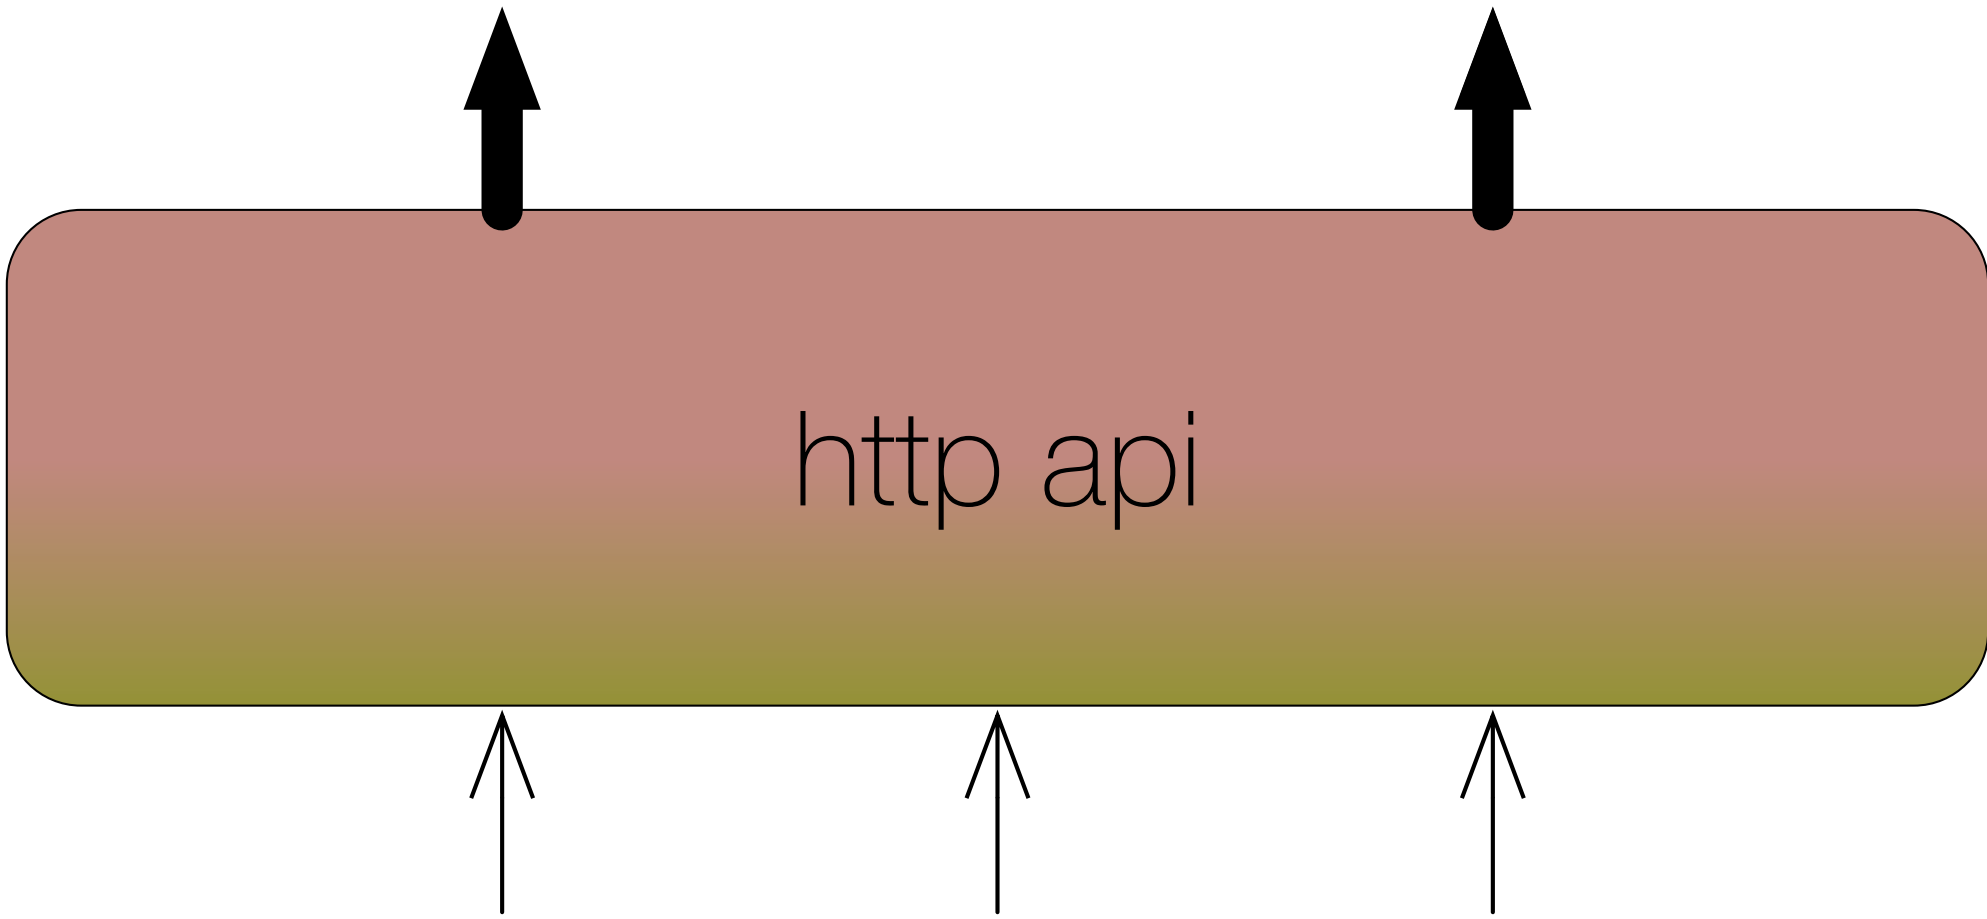

web application

A horizontal bar with a light olive-green fill and rounded ends. It is divided into four equal segments by three vertical black lines. Three black arrows point upwards from the top of the bar, one centered over each of the first three segments. The text "http api" is centered within the bar, spanning across the second and third segments.

http api

platform services

# View subdomain request

```
GET /subdomains/test1.example.com
