Resources vs representations

```
GET https://weather.io/current
Accept: application/json
```

```
200 OK
Content-Type: application/json

{
  "conditions": "mostly sunny",
  "temperature": "58°F"
}
```

Resources vs representations

```
GET https://weather.io/current
Accept: image/jpeg
```

```
200 OK
Content-Type: image/jpeg
```
